JACK KIRBY: A BY-THE-MONTH CHRONOLOGY

Link to: [1938-1949](#) • [1950-1959](#) • [1960-1964](#) • [1965-1969](#) • [1970-1979](#) • [1980-1995](#)

This chronology covers the sequential timeline of the original publication of Jack Kirby's comic book work. This list does not include any comics or collections that might have reprinted Jack's works. The number in parentheses following the listed work is the page count of Jack's original work for that issue. The number in parentheses following the month is that month's total page output from Jack.

This list is compiled by Ray Owens, with the aid of the Jack Kirby Checklist, a publication available from Twomorrows Publications for only [\\$7 postpaid](#). RayOwens is actually a contributor to this checklist, and it comes highly recommended as an invaluable reference for any Jack Kirby fan's bookshelf.

Each era of Jack's work is chronicled on separate pages. Following is the decade of the 50s.

JACK KIRBY: A BY-THE-MONTH CHRONOLOGY

Link to: [1938-1949](#) • [1950-1959](#) • 1960-1964 • [1965-1969](#) • [1970-1979](#) • [1980-1995](#)

This chronology covers the sequential timeline of the original publication of Jack Kirby's comic book work. This list does not include any comics or collections that might have reprinted Jack's works. The number in parentheses following the listed work is the page count of Jack's original work for that issue. The number in parentheses following the month is that month's total page output from Jack.

This list is compiled by Ray Owens, with the aid of the Jack Kirby Checklist, a publication available from Twomorrows Publications for only [\\$7 postpaid](#). RayOwens is actually a contributor to this checklist, and it comes highly recommended as an invaluable reference for any Jack Kirby fan's bookshelf.

Each era of Jack's work is chronicled on separate pages. Following is the era of the early to mid-60s.
